

FONC CHARGING/PRICING POLICY

It is the policy of the Friends of Nunhead Cemetery that access to the cemetery for the general public shall be without charge at all times.

Wherever practicable, events run by FONC for the benefit of members shall be free of charge. The General Committee shall set a charge for attendance by the general public at its discretion, particularly where disbursement of FONC funds has been necessary to hold such events. Such charges shall not be discriminatory and should be modest and within the reach of all members of society.

Charges for FONC publications/goods shall be reasonable and, wherever possible, discounts shall be available to members.

Use of the site for acceptable commercial purposes e.g. location for filming etc. should be charged at full commercial rates or at discounted rates in accordance with the filming/photography policy or the decision of the General Committee.
